This brochure is designed to provide the public with information and a summary of regulations pertaining to hunting and other recreational use on the Flint Rock Wildlife Management Area. **Regulations that are new or differ substantially from last year are shown in bold print.** Area users should familiarize themselves with all regulations. For exact wording of the wildlife laws and regulations, see the Florida Fish and Wildlife Conservation Commission's wildlife code, on file with the Secretary of State and state libraries. This brochure, the Florida Hunting Regulations handbook, and recreational use permit worksheets should provide the information necessary for you to plan your hunting activities. These publications are available from any Commission office, county tax collector and at MyFWC.com.

Persons using wildlife management areas are required to have appropriate licenses, permits and stamps. The following persons are exempt from all license and permit requirements (except for quota permits when listed as "no exemptions", recreational use permits, antlerless deer permits and the Migratory Bird Hunting and Conservation Stamp [federal duck stamp]): Florida residents who are 65 years of age or older; residents who possess a Florida Resident Disabled Person Hunting and Fishing Certificate; residents in the U.S. Armed Forces, not stationed in Florida, while home on leave for 30 days or less, upon submission of orders; and children under 16 years of age. Children under 16 years of age are exempt from the duck stamp. Anyone born on or after June 1, 1975 and 16 years of age or older must have passed a Commission-approved hunter-safety course prior to being issued a hunting license, except the Hunter Safety Mentoring exemption allows anyone to purchase a hunting license and hunt under the supervision of a licensed hunter, 21 years of age or older, for one year.

Licenses and permits may be purchased from county tax collectors, license agents, at MyFWC.com/license or by telephone at 1-888-486-8356. A no-cost Migratory Bird Permit is available when purchasing a hunting license. Any waterfowl hunter 16 years of age or older must possess a federal duck stamp; available where hunting licenses are sold, at most post offices or at duckstamp.com.

RECREATIONAL USE PERMIT INFORMATION:

A \$206 recreational use permit is required to hunt on this area; there are no exemptions except that one dependent child, under 16 years of

age, per permittee may hunt under the supervision of the permittee and is exempt from the fee. The number of available recreational use permits will be indicated on the recreational use permit worksheet. Recreational use permits are not transferable.

Permit applications (all application dates are for **2011**): Hunters must submit electronic applications for recreational use permits through TLS. Successful applicants have the option of renewing their permits for up to two additional years. The Recreational Use permit renewal period is May 1-31. Please refer to the hunting handbook or MyFWC.com for dates to apply for remaining permits. A worksheet with a list of available permits may be obtained 1-2 weeks before the application period begins from FWC offices, tax collectors, license agents and at MyFWC.com.
