- Paved Road
- Unimproved Road
- Water
- River
- County Line
- Private Property

Note: The river is NOT part of the WMA, as indicated by the posted WMA boundary signs on either side of the river, which preclude the river. You can hunt the river and the sovereign submerged lands that border it under the statewide (i.e., private lands) seasons. Anyone hunting within WMA boundaries needs to comply with all area-specific regulations for the Little Big Econ WMA.
